**NOTICE TO SHAREHOLDERS – ACQUISITION OF EQUITY STAKE**

RAIA DROGASIL S.A. (“RD Saúde” or “Company”), pursuant to Article 157, paragraph 4 of Law No. 6,404/1976 (“Brazilian Corporate Law”) and CVM Resolution No. 44/21, hereby informs the general public, the Brazilian Securities and Exchange Commission (CVM), B3 S.A. – Brasil, Bolsa, Balcão (“B3”), its shareholders, and the market in general that, on this date, it has approved and executed an agreement with Companhia Brasileira de Distribuição (“GPA”) for the acquisition of a direct equity stake of 66.67% in the share capital of STIX FIDELIDADE E INTELIGÊNCIA S.A. (“Stix”), thereby increasing its ownership to 100% of the company’s share capital.

Founded in 2018, and with RD Saúde holding a minority stake (33.33%) since 2019, Stix operates in the structuring, development, operation, and management of a coalition-based loyalty program that brings together multiple partners and enables the accumulation, management, commercialization, and redemption of loyalty points.

The base transaction value is R\$ 23 million, with no expected adjustments, to be paid in two installments: (i) R\$ 2.3 million on the date of execution of the purchase agreement; and (ii) R\$ 20.7 million upon closing of the transaction.

The parties have agreed that GPA will remain in the Stix program, given the strategic relevance of this partnership for the coalition and their respective customers. The continuation of the partnership will ensure the maintenance of current benefits, including the accumulation and redemption of points, as well as the preservation of the customer experience and incentives currently offered within the Stix ecosystem.

The completion of the transaction is subject to approval by the Administrative Council for Economic Defense (CADE) and the fulfillment of precedent conditions. The Company will keep the market informed of any developments, in accordance with applicable CVM regulations and legislation.
